INTRODUCTION

Founded in 1993, Unicross Global Private Limited has earned a reputation for excellence and innovation in the global manufacturing and export industry. With over three decades of expertise, the company has emerged as a trusted leader in producing high-class complete bicycles, accessories and other products under our esteemed trademarks "Unicross".

Unicross Global stands out for its commitment to setting industry benchmarks and delivering products that are not only reliable and cost-effective but also of the highest quality. Recognized as a Star Export House by the Government of India and a proud member of the Federation of Indian Export Organizations (FIEO), the company is dedicated to upholding rigorous quality standards, ensuring timely deliveries, and maintaining efficient management practices.

Equipped with cutting-edge infrastructure and driven by a dedicated research and development team, Unicross Global continually innovates, staying ahead in a competitive market. Their unwavering focus on quality is encapsulated in their motto, "The quality comes first," reflecting their commitment to providing products that meet and exceed global standards. Whether it's their top-tier bicycles or their extensive range of industrial tools, Unicross Global is synonymous with quality and reliability.
